

**Membership is the key to our success...**

**Our Mission** is to advocate for a high quality transportation system that enhances the growing St. Cloud Metropolitan Region.

**CMTA started in 1995** with a group of concerned individuals, business people, and public officials who were interested in improving our area's transportation system.

**Membership** is comprised of businesses, local and state governments, and concerned citizens.

**Informational & Educational Meetings** with federal, state, and local officials are regularly held. All members are notified of membership meetings and are encouraged to attend and bring guests.

## CMTA Membership Form

### *Our Goals in 2008-2009...*

#### **CMTA Priorities**

The top priorities of CMTA are to promote and secure state and federal transportation investments in the St. Cloud Regional Airport, secure stable long-term funding for our regional road system, secure expansion of the NorthStar Commuter rail line to St. Cloud, and reduce project development time. Building a strong CMTA membership base in this region is key to achieving our priorities.

#### **Who is CMTA?**

- ▶ CMTA is the effective and credible voice on behalf of the business community on transportation policy issues and funding advocacy for the region.
- ▶ CMTA is the recognized and sought-after source of information on the performance of the Minnesota State Legislature regarding transportation priorities.
- ▶ CMTA holds a voting position on the Area Planning Organization Board of Directors.
- ▶ CMTA holds the Legislature accountable.
- ▶ CMTA has a high profile among area businesses.
- ▶ CMTA advocates for specific transportation projects.
- ▶ CMTA communicates a coordinated message among members, local governments, and other regional organizations regarding transportation.
- ▶ CMTA provides educational meetings for the community to learn more about transportation projects.
- ▶ CMTA defines for key audiences the transportation realities and priorities facing the region.
- ▶ CMTA supports air and surface transportation planning endeavors of the region.
