For Immediate Release

October 10, 2019

Assumption Community is pleased to announce that Jessica Line Borash was named Director of Nursing of the Year by the Minnesota Directors of Nursing Administration on October 9, 2019. Jessica serves as the Director of Nursing for Assumption Home, a 76-bed skilled nursing facility.

“I’m so proud to have received this award. Senior Care matters and Long-Term Care Staff matter. I am lucky to have a family that supports me, an amazing community to work for, an awesome group of nurses to serve with and an amazing God to give the glory to,” said Jessica in her acceptance. In her nomination, Lindsey Sand, Administrator of Assumption Community said, “Jessica is a passionate, hands-on director. Her experience on the floor and in middle management earned her a lot of clot with her Nursing team members. It provides her with the ability to set realistic, efficient and effective expectations and to think outside of the box to create new initiatives and new care opportunities. She models servant leadership.”

In addition to her leadership role at Assumption Community, Jessica and her husband are the parents of three children all under the age of five. They are proud to call the Rocori community home. Jessica is active in her church and enjoys spending time running and playing outside with her family.

Assumption Community is an independent and thriving senior living campus located in beautiful Cold Spring, MN. The campus includes senior living apartments, a skilled nursing home and memory care assisted living. In addition, Assumption Community also serves older adults who live independently in our community through Home Care, Rocori Home Delivered Meals and our Faith in Action program. They provide a continuum of care in a Catholic, Benedictine tradition.
