BERGANKDV CREATES AND LAUNCHES R.E.S.T WEEK AIMED TO SUPPORT EMPLOYEE WELLBEING AND RAISE AWARENESS OF MENTAL HEALTH

BerganKDV is launching R.E.S.T Week which represents four key elements to support employee wellbeing, Recharge, Energize, Support and Team Health. R.E.S.T week will be held for BerganKDV employees October 19 to the 23, 2020 and will feature communications, activities, and learning opportunities. The activities are designed to give employees the chance to step away from their day-to-day, foster camaraderie and bring awareness to mental health.

“This has been a significantly challenging year for many of our employees.” shares Brittani Von Roden, Director of the People First Team, “Now, more than ever, we strive to look inward as an organization and focus our efforts on bringing awareness to mental health and reinforcing a culture that supports our employee’s whole selves.”

The week of learning and support will conclude on Friday, October 23 with a company sponsored day off for all employees. Teammates have been encouraged to use the day to step away from the to-do list, press pause, and recharge.
