BERGANKDV LISTED AS A TOP 100 FIRM AND REGIONAL LEADER BY ACCOUNTING TODAY

BerganKDV was recently ranked in the top 100 firms based on revenue by the national news publication Accounting Today. The firm rose in the ranks to #80 with \$55.73 million in revenue, a 6.99 percent change from 2017. The firm was also again listed as a regional leader, ranked as fifth largest in the Midwest region, which encompasses Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota and South Dakota. As noted by Accounting Today, both revenues and the average growth rate were up for the Midwest region as a whole.

“BerganKDV continues to grow, and will continue to challenge traditional ways of operating,” said CEO Dave Hinnenkamp, “We have made great strides this past year in how we approach what we are doing to benefit our clients and our team on a day-to-day basis. Our organizational structure has been realigned in the past 12 months, empowering our market leaders to make decisions necessary to ensure the success of our clients and employees.”

Accounting Today has been compiling the list of leading U.S. public accounting companies by revenue for nearly 30 years and the annual rankings are considered an industry benchmark by which firms compare their businesses.
