BERGANKDV NAMED TOP GROWTH FIRM BY ACCOUNTING TODAY IN ANNUAL TOP 100 RANKINGS

National news publication Accounting Today recently released its annual Top 100 rankings and BerganKDV rose in the ranks to #70 with \$66.91 million in revenue, a 20.06 percent change from 2018, making BerganKDV a Pacesetter in Growth for firms with under \$100 million in revenue. The firm was also ranked as #7 in growth for all Top 100 Firms nationwide and was again listed as a regional leader, ranked as fifth largest in the Midwest region, which encompasses Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota and South Dakota.

As a Top 100 Firm and Regional Leader, CEO Dave Hinnenkamp was quoted in an article about growth within the ranking publication saying, “We are continuing to find ways to attract, engage and delight our clients. Our mission is to deliver a consistently high-quality experience across every market and every solution the firm provides. By creating and nurturing the market and sales leader positions in each of our markets, we are perfectly positioned to grow relationships, which will in turn grow revenue.”

Accounting Today has been compiling the list of leading U.S. public accounting companies by revenue for nearly 30 years and the annual rankings are considered an industry benchmark by which firms compare their businesses.
