

TOP 20 WINNERS ANNOUNCED IN 2020 BEST FLEETS TO DRIVE FOR CONTESTS

01/30/2020

Brenny Specialized, Inc. Named Best Fleet to Watch

Alexandria, VA – January 30th, 2020 – The Truckload Carriers Association (TCA) and CarriersEdge are pleased to announce the [2020 Best Fleets to Drive For](#). These 20 for-hire trucking companies from across North America are being recognized for providing exemplary work environments for their professional truck drivers and employees.

“Now in its 12th year, the program continues to showcase the best fleets in the industry,” said CarriersEdge Chief Executive Officer Jane Jazrawy. “These carriers constantly raise the bar when it comes to driver satisfaction, innovative programs, and superior work environment.”

In addition to the Top 20, TCA and CarriersEdge identified Brenny Specialized, Inc. — Saint Joseph, Minnesota as one of the Five Best Fleets to Watch.

“Brenny continues to punch above its weight, offering a selection of driver programs not often seen in fleets that size. With satisfaction over 96%, those programs are clearly well received by its drivers.” said Jane Jazrawy, CEO of CarriersEdge.

To be considered for the Best Fleets program, companies operating 10 or more trucks had to receive a nomination from one of their company drivers or owner operators. The fleets were then evaluated using a scoring matrix covering a variety of categories, including total compensation, health benefits, performance management, professional development, and career path/advancement opportunities, among other criteria. Driver surveys were also conducted to collect input from drivers and independent contractors working with the fleets.

“Aside from being one of the most anticipated announcements in the industry, for these winners, the Best Fleets to Drive For program facilitates an image that radiates from the professional truck drivers to the leadership team at a carrier operation,” said TCA President John Lyboldt. “The winners feel an immense pride for this accomplishment and we’re proud to honor them year after year.”

Two overall winners, in large and small fleet categories, will be named during TCA’s Annual Convention — [Truckload 2020: Orlando](#) — being held March 1-3 at the Gaylord Palms Resort in Kissimmee, Florida.

The Best Fleets to Drive For overall winner awards are sponsored by [EpicVue](#) and [TruckRight](#).
