LOCAL DRIVER RECOGNIZED BY NATIONAL GROUP

The National Association of Small Trucking Companies (NASTC) represents over 11,000 trucking companies in the U.S. and Canada that employ over 1000,000 drivers collectively. Each year the association sponsors a driver of the year program to recognize the very best drivers within their group. Among the drivers selected to this year's team of "Drivers of the Year" was Henry Kuperus who drives for Brenny Specialized of St. Cloud, MN.

"As a recipient of his prestigious award, Mr. Henry Kuperus joins a very elite group that represent the very best of our 100,000 drivers," according to Buster Anderson, Executive Vice President of NASTC.

"Brenny Specialized is very proud of their drivers and should be very proud of themselves as well," Mr. Anderson added. "It says a lot about a company when they can attract and keep employees of this caliber."

Henry Kuperus has driven for Brenny Specialized for over 6 years, and has been a professional driver for over 22 years and has accumulated over 2,800,000 accident free miles.

Mr. Henry Kuperus was presented his award in Nashville on November 2, 2019 at the Annual Conference of NASTC.
