National Trucking Group Recognizes Broker of the Year

The National Association of Small Trucking Companies (NASTC) represents over 11,000 trucking companies in the U.S. and Canada that employ over 100,000 drivers collectively. For the benefit of their trucking company members, NASTC publishes a “*Best Brokers*” directory annually to assist in locating quality freight brokers to help them keep their trucks loaded. Each year the association selects one of these brokers as their “Broker of the Year” and recognizes them at their annual meeting. This year’s recipient of the NASTC Best of the Best Brokers Award is Brenny Transportation, Inc. of St. Cloud, MN.

“As a recipient of this prestigious award, Brenny Transportation, Inc. has distinguished themselves as the best of our broker group that includes over 250 of the best brokers in the country,” according to Buster Anderson, Executive Vice President of NASTC.

Brenny Transportation, Inc. has been in business since 1996 and moves in excess of 150 loads per week (freight of all kinds) all over the country. They have been a NASTC member for over seventeen years and have always been a big supporter of NASTC’s efforts to improve broker-carrier relations.

Brenny Transportation, Inc. was presented their award in Nashville, TN on October 31st, 2019, at NASTC’s 29th Annual Conference. The enclosed photo shows (l-r) Bonnie Supan, Kyle Seamans and Joyce Brenny of Brenny Transportation with David Owen, President of NASTC.
