CentraCare Foundation Announces New Board Members

St. Cloud, Minn. – CentraCare Foundation welcomes new board members whose first term began July 1. New board members include:

- Tamara Congdon, MD, Medical Director, St. Benedict's Community
- Jan Dingmann, CentraCare Paynesville, Regional Development Committee
- Mark Raitor, CentraCare Sauk Centre, Regional Development Committee

The CentraCare Foundation Board, in collaboration with the Foundation staff, is responsible for setting the strategic direction for the Foundation, as well as envisioning and formulating organizational outcomes. The board members serve two, three-year terms and help to provide support and guidance to CentraCare Foundation's philanthropic work in our communities.

About CentraCare Foundation

CentraCare Foundation engages the philanthropic community to support advances in treatment and technology across a spectrum of health care services in Central Minnesota. Their efforts help to ensure support services that provide hope and healing are offered to all who need them.
