Kimberly Foster Joins GREATER Together Challenge Match

St. Cloud, Minn. – In October Chief Compliance Officer/Financial Advisor Kimberly Foster, ChFC®, Laraway Financial Advisors, Inc. and her husband Nicholas Foster came together with 19 others to form GREATER Together Challenge Match, a community-wide effort to help GREAT Theatre survive the COVID-19 pandemic.

Due to COVID-19, GREAT Theatre productions, camps and programs have been cancelled and organizational planning postponed, for the foreseeable future. Until mass gatherings are deemed safe and financially feasible, their mission to bring the community together through shared experiences and build life skills through quality arts education is threatened. GREATER Together Challenge Match will meet all donations dollar for dollar up to \$290,000. Donate at GREATTheatre.org or by calling (320) 258-2787.

Foster joined Laraway Financial in 2014 after a career as director of operations for a local financial planning firm. She studied at St. Cloud Technical & Community College and St. Cloud State University and subsequently earned securities licensures, leading her to a career in the financial services industry. Today she balances compliance responsibilities with helping clients optimize their finances through planning and education. She also serves on the board for GREAT Theatre and volunteers as a recovery coach for St. Cloud Hospital's Recovery Plus, a chemical dependency services provider.
