GASLIGHT CREATIVE EXPANDS WITH OFFICE IN BOZEMAN

(ST CLOUD, Minn.) – Gaslight Creative recently announced that the award-winning advertising agency is adding a Bozeman, Montana office.

“The addition of our Bozeman location will help Gaslight expand our services and better serve our clients in the Northwest,” said Jodie Pundsack, Co-owner.

The Bozeman office will be the third location for Gaslight Creative. Headquartered in St. Cloud, Minnesota, Gaslight also has an office in Minneapolis.

Sidne Bofferding will manage the Bozeman office on behalf of Gaslight Creative. She is a native of Montana and has worked as a Marketing Consultant for five years.

“We are excited to bring our marketing consultancy and full-service creative agency to Bozeman,” said Bofferding. “I’m also looking forward to learning how I can help local leaders grow their business.”

The Bozeman office is located in the Regus Building at 5 West Mendenhall Street, Suite 202.

Gaslight’s team of graphic designers, web developers, copywriters, account managers and marketing strategists is led by co-founders Kelly Cane and Jodie Pundsack. Since its inception in June 2009, the full-service agency has worked with a wide range of clients and has garnered more than 100 American Advertising Awards.
