IIW ELECTS LEAPALDT TO BOARD OF DIRECTORS

Dubuque, IA— IIW, P.C. re-elected David Leapaldt to its board of directors to provide leadership and guidance on continued growth. The full-service architecture and engineering firm has offices in Minnesota, Iowa and Wisconsin.

Leapaldt, a senior architect and planning facilitator, joined the firm in 2012 and expanded the firm's presence into Minnesota, including opening a major branch office in St. Cloud. Learn more at iiwmn.com

Through visioning, fiduciary, and policy responsibilities, IIW's Board of Directors focuses on growth by strengthening firm stability and resiliency, building lasting client relationships, expanding the expertise and capabilities of the firm, and providing an environment for employees to thrive.

IIW, P.C. is an employee-owned, multi-disciplined firm providing creative and innovative solutions in architecture, engineering and construction services. The corporate headquarters is located in Dubuque, Iowa.
