LOCAL DRIVER RECOGNIZED BY NATIONAL GROUP

The National Association of Small Trucking Companies (NASTC) represents nearly 10,000 trucking companies in the U.S. and Canada that employ over 117,000 drivers collectively. Each year the association sponsors a driver of the year program to recognize the very best drivers within their group. Among the drivers selected to this year's team of "Drivers of the Year" was Jeff Rau who drives for Brenny Specialized of St. Cloud, MN.

"As a recipient of this prestigious award, Mr. Jeff Rau joins a very elite group that represent the very best of our 117,000 drivers," according to Buster Anderson, Executive Vice President of NASTC.

"Brenny Specialized is very proud of their drivers and should be very proud of themselves as well," Mr. Anderson added. "It says a lot about a company when they can attract and keep employees of this caliber."

Jeff Rau has driven for Brenny Specialized for over 20 years, and has been a professional driver for over 22 years and has accumulated over 3,550,000 accident free miles.

Mr. Jeff Rau was presented his award in Nashville on November 3, 2018 at the annual conference of NASTC. The enclosed photo shows (l-r) Buster Anderson, Executive Vice President of NASTC, Jeff Muzik, of Brenny Specialized, Jeff Rau, Driver of the Year and Special Guest Speaker, Dan Baker.
