

Loffler Companies brings IT Solutions excellence to St Cloud, MN with acquisition of Optimum Communications Corp (OCC)

Loffler, a local Minnesota company serving the Upper Midwest, continues its IT Solutions investment by expanding world-class service to central Minnesota.

Loffler Companies is pleased to announce they have acquired Optimum Communications Corporation (OCC), a St. Cloud-based IT solutions company with additional offices in Aberdeen, SD. Loffler Companies, headquartered in Bloomington, MN, welcomes OCC's tenured professionals to Loffler's IT sales and service team, which will contribute to Loffler's position as a market leader in IT managed services and solutions.

"We are happy to expand our IT offerings to St. Cloud and Central Minnesota, after solidifying Loffler as a strong technology company that helps clients succeed and bring maximum value to their business," explained James Loffler, Vice President – IT Solutions, Loffler Companies. "We're excited to have OCC's team of experts join us. They share our same core values and passion for providing excellent service and technical support that is relevant to our clients' needs."

"We are pleased to have reached this agreement to become part of Loffler Companies, the leading and largest privately owned technology and managed services companies in the Upper Midwest. We believe Loffler's complete line of integrated and managed solutions will clearly benefit our clients and complement the offerings of our clients," said Bryan Fleegel, President & CEO, Optimum Communications Corporation. "We look forward to working with Loffler, a family-owned, Minnesota-based and nationally recognized business."

Loffler Companies was recently named to the Elite 150 of CRN's 2018 Managed Service Provider 500 (MSP500) list. CRN is the top news source for solution providers and the IT channel. The MSP500 is an annual list which recognizes the top technology providers and consultants in North America whose cutting-edge approach to managed services puts end-user customers in the best position to improve efficiencies, cut costs and speed time to market for their own products and services.

Loffler's suite of technology offerings and services include solutions from Mitel, DellEMC, Aruba, Nutanix, Microsoft 365 and complete security services. Loffler Companies is now the largest privately owned company in the Upper Midwest offering business technology and services, supported by a team of professional trainers, phone support, and a nationally recognized service organization.

Loffler recently earned recognition for the seventh consecutive year as a Star Tribune “Top Workplace,” as well as being named to Minneapolis/St Paul Business Journal’s “Best Places to Work” for the past two years. In addition, Loffler Companies has earned the Inc. 500 award as one of the Fastest Growing Private Companies in America for ten consecutive years. Loffler is a proud partner with St. Joseph’s Home for Children, the Susan G. Komen Race for the Cure and many other worthy causes that help the communities in which the Loffler team lives and works. Clients appreciate working with a company whose employees enjoy their jobs and helping clients succeed, as well as a company that gives back to the community.
