**FOR IMMEDIATE RELEASE**

**Commercial Consultant Wendy Hendricks Joins Premier Real Estate Services**

St. Cloud, MN—November 1, 2017—Wendy Hendricks recently joined the Premier Real Estate Services team, bringing with her a comprehensive, successful background in marketing and commercial real estate. As the current owner of Hendricks Marketing and Associate Publisher of *Business Central Magazine*, Hendricks is well-connected in the community and understands the needs of greater St. Cloud area business owners.

A Minnesota licensed Realtor and Commercial Consultant, Hendricks specializes in commercial real estate sales, leasing, and business brokerage. Her strong connections in the business community and years of marketing expertise allow her to provide exceptional, strategic marketing research and insight for her clients. As a business owner herself, she respects risk assessment and values the comprehensive analyses necessary for successful real estate transactions.

Premier Real Estate Services was just awarded the "Best of Central MN" for 2017. Currently over 100 agents & staff share the goal of being the best source for Real Estate. Premier is celebrating its 15<sup>th</sup> year in Business.

Hendricks brings value and service to each and every client, always striving to exceed expectations by providing second-to-none, personalized customer service while working with integrity and professionalism.

**About Premier Real Estate Services:** Premier Real Estate Services was created by Noel Johnson, a local Real Estate Broker, 15 years ago. Years of experience led to the dream of creating a company that made a difference in the real estate industry. His understanding & superior knowledge of the markets needs allowed him to realize the success the firm has achieved today. Over 100 agents at Premier Real Estate Services now share the commitment to excellent service and working with an open mind to market properties with new concepts that create great results! Today Premier Real Estate Services is one of the area's LEADING firms.
