FOR IMMEDIATE RELEASE

St. Cloud Orthopedics Opens Second Clinic in South St. Cloud

November 12, 2018; St. Cloud, Minn.—

Now open at 315 Roosevelt Rd. #200B is St. Cloud Orthopedics' second state-of-the-art clinic location.

"For people who live or work closer to that side of town, it's just more convenient," said Bill Worzala, administrator at St. Cloud Orthopedics. "Our goal is to make it as easy as possible for patients to get to us."

The South St. Cloud clinic will provide the same services as their existing Sartell clinic, including bone, joint, and muscle care for all parts of the body.

The only difference is that clinic doesn't have its own MRI setup, and OrthoDirect for orthopedic emergencies will only be open during regular clinic hours of 8:00 AM to 5:00 PM, Monday through Friday.

"Our Sartell clinic recently expanded OrthoDirect hours to include week nights and Saturday mornings, and the South St. Cloud clinic may very well follow in that direction depending on the need we see," said Worzala.

The same orthopedic specialists and staff members will rotate between the two locations, and appointments can be made by calling their main phone number: 320-259-4100. OrthoDirect appointments (though not necessary) at both clinics can be made by calling 320-257-STAT. Learn more at StCloudOrthopedics.com.
