UNITED CEREBRAL PALSY OF CENTRAL MINNESOTA
APPOINTS NEW EXECUTIVE DIRECTOR

Saint Augusta, MN - The Board of Directors of UCP of Central MN is pleased to announce the appointment of Sheri Wegner as the organization's Executive Director. UCP of Central MN is a non-profit dedicated, through services, to promote a Life Without Limits for people of all ages with any physical or invisible disability in Minnesota.

“We are excited for the future of UCP Central MN with Sheri at the helm” said Craig Hanson, Chair of the Board.

Sheri Wegner started her relationship with UCP of Central MN in June 2019 as an independent contractor to assist in the restructure of the organization. Shortly thereafter, her contract was extended and her role was elevated to interim Executive Director. During the organizational restructure, Sheri was vital in putting an all new staff in place, new policies and procedures and worked towards a solid financial footing for the organization.

Prior to going the UCP of Central MN team Sheri was the event coordinator for the St. Cloud Area Chamber of Commerce and was responsible for a majority of that organization's fundraising efforts. It the time she dedicated to the Chamber, she build a great professional network in the greater St. Cloud Area.

Sheri comes with a strong background in business and has sat on several professional, city ad hoc and community committees.

ABOUT UCP OF CENTRAL MN

UCP of Central MN is a 501(c)(3) organization headquartered in Saint Augusta, MN, with a mission to work with partners to provide integrated services and programs to empower people with physical or invisible barriers to achieve their potential. Since 1954 this office has been an affiliate of the National UCP organization. This office advocates, educates, empowers, and provides services for people of all ages, with any disability in MN through state waivers, private insurance, private pay, and donated equipment and funds.
