Career Solutions Executive Director Receives St. Cloud Area Chamber 2020 Diversity Award

St. Cloud, Minn. – Tammy Biery, executive director at Career Solutions, was awarded the St. Cloud Area Chamber of Commerce Diversity Award for her leadership in promoting and celebrating equal opportunity in the Central Minnesota business community.

The Chamber’s Diversity Recognition acknowledges the exceptional efforts of area businesses and representatives whose visible efforts foster greater appreciation, advancement and celebration of diversity and inclusiveness in the workplace.

Career Solutions is dedicated to building a multicultural business environment that is free from bias and discrimination. Their diverse staff are encouraged to celebrate their differences and attend other community diversity trainings on a regular basis.

Under Biery’s leadership, Career Solutions works daily to break down employment barriers. Community members age 14+ can utilize their comprehensive workforce development resources to acquire skills, training and experience to achieve family sustaining wages. Businesses in need of employees can receive hiring help, as well as customized cultural training for current staff to improve overall orientation and integration of diverse backgrounds.

2020 Diversity Award

Because transportation is one of the largest barriers to overcome, staff take their services into the community. Locations include La Cruz Community, Community Outpost, Quarryview Education Center and the Islamic Center.

Biery accepted the Diversity Award at the Chamber’s annual Legislative Connections: Session Wrap Up event held virtually on May 28, 2020.

The St. Cloud Area Chamber of Commerce is the voice of business in Central Minnesota. Supported and led by members and a professional staff, we create, enhance and support a healthy business environment for our members.
