How does NEXT benefit your business?

Sponsored by the St. Cloud Area Chamber of Commerce, NEXT - Chamber's Emerging Leaders meets monthly to help young professionals develop different skills.

We do this by:

- Grooming leaders who will contribute to your company
- Providing professional networking opportunities and enhanced community connections
- Helping employees develop greater personal vision and confidence
- Reinforcing skills and imparting new knowledge to employees
- Improving an employee's ability to think like an owner

An investment in your company's future leaders is an investment in your business.
