**Business or Company Profile:** Ridder's Escape Room is a live-action, immersive adventure. Groups enter one of our theme-filled rooms, and work together to solve a series of clues, riddles and puzzles, in an attempt to escape within 60 minutes.

## Position Summary

Riddler's Escape Rooms is looking for enthusiastic Game Masters/Room Designers. This position will assist our guests throughout the adventure by becoming an important part of the ultimate goal of escaping the room.

## Position Description/Duties:

Duties will include monitoring live action escape room games via closed circuit TV, providing clues as needed, and resetting the rooms for the next group of adventurers. Additional duties include general administration tasks, such as social media awareness and marketing. Games Masters serve an integral role in the operation of a successful escape room game. We're looking for imaginative, diligent, and hardworking candidates who share our passion for providing a fun and exciting quest experience.

## Intern Qualifications:

- Be able to stand, walk and entertain customers.
- The ideal candidate will have some acting, improv, or performance experience (or is at least comfortable with acting) and have the ability to stay in character at all times.
- Detailed Oriented - rooms need to be reset right every time.
- Ability to work independently in a timely and reliable manner.
- Excellent attendance and reliability.
- Energetic, enthusiastic, with a positive personality.
- Outgoing, easy to talk to, comfortable speaking in front of large group.
- High initiative and self-motivated.
- Previous experience in construction or set building a plus.
- Experience using social media or advertising is beneficial.
- Candidates must be able to work Friday evenings, Saturdays, and Sundays.

## Special Position Instructions:

None

**To provide the best experience possible for both the intern and their mentor, please provide an idea of how much time the mentor will be able to devote to their intern:**

Intern will work with staff or managers at all times. We offer continuous support and education. After training, intern should be able to complete a list of tasks, with minimum direction. For example, intern may be asked to reset a room. One-on-

one training will be provided for the first several times. After that, intern will be given a checklist to complete the reset on their own. Staff will then double check to ensure it was done correctly. Staff will always be available to answer questions, but intern should have a general understanding of what's expected and be able to complete simple tasks on their own.
