**Vendors** may NOT provide any food or beverages to visitors (there may or will be a facility fine for doing so). Wrapped candy is acceptable. We encourage you to have interactive games or other activities to engage with the visitors. We will not be doing door prizes from the registration table, so we encourage door prizes at your booth. You may do cash sales from your booth.

**Food/Beverage** exhibitors MUST provide food or beverage samples to the visitors.

To help promote this event we are asking the vendors to take a photo of their drawing/door prize and send it to [lwagner@StCloudAreaChamber.com](mailto:lwagner@StCloudAreaChamber.com) or take a short video inviting everyone to come and visit you at the show and we will post these on the Chamber Facebook page.
